

Pistachio cream

Borges Expertise: We combine nuts and oils to create an innovative and tasty pistachio cream

A central image of a white bowl filled with a smooth, light brown pistachio cream. Several callout lines with icons and text boxes point to specific features of the product.

- Less added sugar** (Icon: Sugar cubes with a downward arrow): *More authentic nut flavor.*
- Palm oil free. Eco-friendly alternative** (Icon: Palm tree with a drop): *Healthier, lower saturated fat content, and sustainable.*
- 15% Pistachio** (Icon: Nut): *Premium and genuine taste.*
- Selected pistachios, roasted and mechanically ground** (Icon: Two pistachios): *Intense and natural flavor.*
- Creamy texture + total versatility** (Icon: Spatula and knife): *Perfect for spreading, filling, or injecting into any application.*
- Guaranteed homogeneity** (Icon: Checkmark): *Batch after batch for maximum consistency in your finished product.*
- Textured Borges oil (HSO)** (Icon: Oil bottle): *No saturated fats, no dairy fats, non-hydrogenated, 100% plant-based.*
- Formats adapted to your production** (Icon: Buckets and barrels): *20 kg, 200 kg and 1000 kg.*
- Lactose-free** (Icon: Milk carton):
- Gluten-free** (Icon: Wheat stalk):
- Vegan** (Icon: Leaf):
